- Guided learners through layout, composition, typography and visual communication.

Creative & Live-Score Designer — Football Tournament

2026

- Created promotional flyers and updated live-score graphics throughout the tournament.
- Maintained clear and consistent visual communication across event designs.

Media Team — Student Week

2026

- Supported event communication through visual content and media coverage.

WHAT I BRING

A thoughtful approach to visual communication, from understanding the message and audience to creating polished designs that are easy to notice, understand and remember.

DESIGN APPROACH

Understand

Clarify the message, audience and feeling the design needs to communicate.

Build

Shape the idea through typography, imagery, colour, layout and visual hierarchy.

Refine

Polish the details so the final design feels clear, consistent and memorable.
